

Labelled Internal Photo

(ACTUATOR AS 1000 – code 506364US)

 A photograph showing the front side of the actuator with its white plastic cap removed. The internal components, including a black motor, a green printed circuit board (PCB) with a barcode label, and various colored wires (red, black, blue, yellow), are visible.	<p>Front side of actuator without plastic cap</p>
 A photograph showing the left side of the actuator with its white plastic cap removed. The green PCB is visible, along with a silver-colored metal gear or output shaft at the bottom.	<p>Left side of actuator without plastic cap</p>

	<p>Actuator housing for batteries</p>
	<p>Actuator PCB (front side)</p>
